## SCOUT STAMPS COLLECTORS CLUB

Priced Catalogue of Boy Scout and Girl Guide stamps  
First published July 1959 - Revised January 1961

### Comments:

Although only 18 months have elapsed since the first edition, considerable changes will be noticed owing to hardening of the market, increases recorded in the 1961 edition of a well-known catalogue and a certain amount of over-optimism on the part of the compilers in connection with some of the pre-1939 issues.

Again the compilers do not undertake to supply any material at the prices quoted herein, and the same warning relating to forgeries still holds good.

Footnotes

1. Thailand. Imprint blocks do exist, but your guess on valuation would be as good as most other peoples.
2. 1959 Philippines and 1958 Syria appear to be somewhat overrated at present - hope for remission in time.
