 be in camp).

My dear Mrs. Wroughton
 It is I who ought to
 thank you for Bob! He was
 a great help to me & puts
 set the example to other
 Patrol leaders. They all did
 very well indeed.

What I want my much love
 is to get from you - after you
 have questioned Bob - what
 you & your husband think
 of such kind of camp &
 organization, from the parent
point of view, as an excuse
 for boys out of school.
 Any suggestions for its

improvement would also be
 thankfully received.
 Of course this camp only
 just touched on all the
 subjects: we could spend
 a day to each when I would
 propose to give 3 or 4 in
 actual practice.
 (My idea being to carry out
 such instruction on Saturday)

I expect you are enjoying
 a happy rest in your
 garden at Caster after
 the London season.
 I wonder if any of you are
 going to Scotland - if
 Murray would like a
 week's deep sea fishing in
 a lovely place Eilean - I would
 be very pleased to see him next
 month at Inghinnich.
 We would not mind our
 plain living -
 from very sincerely,
 Kenneth Wilson.

Dear Mrs. Wroughton -
 It was very kind of you
 to write and thank me for
 Murray's outing at
 Brownsea Island -
 I am sure that General

B.P. was just as pleased as
 I was to have Murray
 amongst the Boy Scouts.
 He did so well and was
 an excellent Patrol leader,
 keen & willing - we had
 one or two boys that I
 did not care about and
 another year I would
 suggest leaving them at

home - Murray seemed
 to love sleeping out and I
 expect you found it hard
 to keep him in the house on
 his return to Caster -
 Eilean is very well after
 he visit Mrs. Lambert
 and very keen to start as
 soon as possible for
 his Scotch trip -
